DRUG QUIZ

by Curt Scarborough, Ph.D.

QUESTION - Which occupational group in the United States has the highest percentage of problems with alcoholism and drug abuse?

a) Doctors and nurses
b) Professional athletes
c) Law enforcement officers
d) Bartenders

ANSWER - Just as black lung disease is the coal miner's major occupational hazard, so is alcoholism and drug abuse the scourge of physicians, nurses, and pharmacists, says Dr. G. Douglas Talbott, director of Georgia's Disabled Doctor's Program. Talbott told the Palm Beach Institute conference that one out of seven physicians in any hospital group in the United States is in trouble with drugs.

Besides alcohol – the drug of choice of most physicians – darvon, tylenol, talwin, and demerol are all causing "a lot of trouble," and cocaine and THC (marijuana) are showing up with more frequency as the causes of problems among physicians.

Correct answer - a.

COLLEGE NOW HAS WATERTIGHT ALIBI IN CAMPUS CENTER CASE

By Phyllis Kellogg

The problem of leaking water in the Capus Center has finally ended, according to Business Manager Wolfgang Hertweck.

Hertweck said the previous insulation on the Campus Center roof has been replaced with black rubber sheeting. The sheeting was first installed and laid flat on the roof to prevent water from leaking into the building.

To install the insulation, workers tore off any of the old roofing that they felt could be replaced in a day. After the insulation is completed, the roof will resemble a big sheet of rubber, Hertweck said.

The roof repair will cost $92,644, including masonry work. Hertweck said $48,000 has been paid, but is uncertain if the remainder of the money will come out of this year's budget.

Hertweck said the workers will return in the spring and put gravel on the Campus Center roof.

CHICAGO'S "LATIN CONNECTION" FLAVORS MAC SOCCER TEAM

Hector Arias is from Guatemala via Chicago's Schurz High School. He recalls that one of his most memorable experiences in high school came during his sophomore year when he played against Bowen and had to cover Jose Andrade.

Hilton Hall is from Honduras and Chicago Wells. He was a teammate of Rudy's and another all star. He echoes Rudy's hopes for Mac's success in league and post-season play.

Sergio Flores is a blue chip soccer player from Farragut High School in Chicago and was born in Mexico. Sergio was Mr. Everything for his high school team; not only was he the star player, he was also the coach. Sergio promises to do all that he can to help Mac's soccer team this year. His prediction: "MacMurray will be Division III national champs this year."

Another group of wonderful people is the housing people. It is rather an ignorant policy to force two people to be roommates -- they presently have singles because their respective former roommates left -- especially if by doing this it leaves empty dormitory rooms. This policy might make sense if the College could save money on the deal; however, this is not the case. They (this college) are simply leaving rooms empty because they are hoping to get that extra one hundred dollars from some poor dumb sucker who is willing to pay to keep a single. This college is very very very greedy!!!

SEASON OF TRIUMPH FOR CLAN

Highlander fans saw something these past few months they hadn't seen in over a decade -- a winning men's basketball team. And if coach Bob Gay has anything to say about it, they won't have to wait longer than than the 1982-83 season to see the happy sight again.

FREEDOM OF SPEECH "NON-POLICY" DISCUSSED IN SENATE

By Debbie Willard

Biology 103, RA freedom of speech, and the driveway behind Jane Hall were the chief topics of discussion at Tuesday night's MSA meeting.

MSA President Linn Baker '82 reported on the steps taken towards the students' concern over low test grades in Biology 103. Students had believed that test scores were lower than in past years. But, according to Prof. Richard Freiburg's records, the grades are basically the same as in the past.

Freiburg is now handing out study guides; thus the students are finding it easier to study for the tests. The study sessions that have been held have been beneficial also. Freiburg emphasized that if there are amy problems, he is willing to help.

Baker then reported on the "RA freedom of speech" issue. MSA had asked the RAs if they were for trying to win some sort of freedom of speech in criticizing the administration. The RAs decided to let MSA pursue the issue, and thus Baker met with President Stephens. He suggested that there be a "non-policy" on the issue.

His view, Baker explained, is that it is unfair to totally censor the words of anyone, but it is not right to let them say anything they please either. Non-policy means not total censoring or total freedom, but rather that each case be dealt with individually, and that moderation should be used.

LYNN -- I want to thank you for being that special friend that I was only able to once dream about. You have made that dream become reality, and have shown me the true meaning of friendship. May this friendship last a lifetime, and I know it will because a true friendship never ends.

Thanks again, and many thanks and love to Tony too.

"Each generation chooses the way it will do its thing, and each generation finds it easy to forget that rebels preceded it."

L.G.E. in *Gentle On My Mind*

Mrs. Eddy was a student, friend, trustee, and benefactor to MacMurray College. Her contributions and steadfast concern will be missed in many areas. In her autobiography she says she feels confident that the essence of the personality continues and will be recognized after physical death. Her unique essence continues to grow through the lives of the students she helped. For all you have done and all you continue to do . . .

Thank you Mrs. Eddy.

Soccer Coach Pete Glon names senior co-captain Don Lipka as the recipient in his sport. The 6 foot, one inch goal keeper posted three shutouts in September and played a brilliant game when Mac tied Quincy 1-1 in double overtime. Additionally, Lipka was "Player of the Game" in a hard-fought 1-0 win over Wheaton College in a match billed as the Midwest Game of the Week September 26.

MacMurray College

HIGHLANDERS

Every victory came in straight sets for Coach Renny Linstromberg's girls Monday. Mac's winning singles players were Abby Gable, Lori Schieber, Connie Roewe, Liz Simons, Marilee House and Janice Tsuji, playing in her first collegiate match.

A bit over a minute later, White got a head ball score as constant Mac pressure bored holes in the Earlham defense. Andrade set the stage with a cross from the right side. Monk battled the EC goalie and got the best of the situation as the fans watched the ball bound slowly over the chalk.

Inside, printed in block letters, was the following message:

DEAN PETTIGREW —

I KNOW WHERE YOU GOT THE MONEY TO PAY OFF THOSE GAMBLING DEBTS OF YOURS. IF YOU DON'T WANT THE PRESIDENT TO KNOW, BRING $10,000 TO THE CAMPUS CENTER PARKING LOT AT MIDNIGHT MONDAY.

— ONE WHO KNOWS

Seniors Linda Wilson, Deb Robinson, Linda Morris and Kathy Lojas were honored for their years of service and fine play at Mac in a brief ceremony before the match with Maryville. Lojas could not attend; she was out with a case of bronchitis.

COWS MEET AND INVITE ALL TO JOIN

"This group is my life. I live and breathe for it.

"I feel that COWs has a lot of unrealized potential, but I feel that, with dedicated people like Fernando elected, much of this potential will be realized," Steen Poulsen '83 exclaimed about the Citizens of the World Organization (commonly known as COWs).

Citizens of the World Organization met for the first time this semester at noon Feb. 21 and elected president Michael Gittens '84, vice president Jose Andrade '83, treasurer Hillary Otero '84, and secretary Fernando Estrada '83.

BEFORE YOU LEAVE -- Student Affairs asks you to:

1. Close and lock all windows.
2. Turn off the lights and unplug everything except aquariums.
3. Lock the door.

After the residence halls close today, the staff will make a final room check.

To the editor:

I was thrilled to see that The Daily Other refered to the girls' soccer team as "a Mac team." Apparently the school does not extend the same courtesy to our female soccer players. The girls were not sponsored by MacMurray; therefore they were not able to use MacMurray as their team name. The girls also had to purchase uniforms with their own money.

Maybe, since the ladies did so well, the College will recognize them as "a Mac team" and extend certain courtesies to them.

Thank you, Daily Other, you made my day.

TRUSTEES DISCUSS CAPITAL CAMPAIGN, TUITION INCREASE, FINANCIAL AID

In other action at the meeting, the Trustees adopted a budget for the 1982-83 school year that contains a 12 percent hike in tuition, fees, and room and board. Tuition and fees will go from $3,990 this year to $4,470 next year. Room and board will jump from $1,800 to $2,200, meaning comprehensive costs will be upped from $5,790 this year to $6,490 next year . January Term fees will also go up.

FALL PRACTICE FOR GOLFERS: BILOZ APPRAISES HIS LINKSMEN

GIVE BLOOD AND SAVE A LIFE

Phi Nu will conduct its annual blood drive here tomorrow.

Kathy Lojas, president of Phi Nu, explained that Phi Nu and several nurses from the Central Illinois Blood Bank in Springfield have coordinated a drive aimed at collecting 125 pints.

Last year the drive brought in 100 pints.

Tomorrow's drive will be held upstairs in the Campus Center. Donations will be welcome between 9 a.m. and 4 p.m.

The total time involved in giving blood is approximately one-half hour. For all donors, there will be cookies and juice.

"The ad to give blood is not just advertising hype," said Lojas. "When you donate blood, you are saving a person's life."

Presently there is a shortage of blood in the central Illinois area.

Dear Mac Students:

The surprise birthday party Monday was great, and it really was a surprise! Thank you for the very thoughtful gesture.

I wish for each of you a happy and productive spring.

-- B.G. Stephens

At Eureka Friday night, it was a Beeler rebound of a missed free throw with 11 seconds left in the game that spelled the difference. With MacMurray trailing by two and less than half a minute to go, Val Zeilmann scored two of her game high 24 points to set the stage for Beeler's final tally.

Linda Morris was a 20 point performer; Mary Jackson led the hosts' balanced scoring attack with 12.

M NIGHT -- Casino games, classic comedy films, cartoons, ugly mug contest, sno-cones, cotton candy, free pool in the Campus Center, starting at 9 p.m. today. Sponsored by CAB.

For acid indigestion and heartburn a lot of people spell relief R-O-L-A-I-D-S. But at MacMurray College, if you're an injured athlete, relief is spelled M-O-M!

Yes, you read it correctly -- "Mom" -- the nickname of Yvonne Thies, MacMurray's athletic trainer and nurse. Mom does everything for hurt athletes, from taping, bandaging and icing to whirlpooling, medicating and advising.

In season closing action, the Lady Highlanders won a 63-61 thriller at Eureka Friday night, then bowed out of the IAIAW Division III Women's Basketball Tournament with a loss to North Park Saturday, 65-61.

The Ladies finish the 1981-82 season with a 9-16 slate.
